

News from the

November 2021

The Berkshire Food Project seeks to alleviate hunger, food insecurity and social isolation by serving healthy, no cost meals and connecting people to other resources, all in a dignified and respectful manner

The Berkshire Food Project continues to provide meals to take home and heat up, every Monday, Wednesday, and Friday, from 11:30am to 1:00pm. This schedule will remain in effect for the foreseeable future.

**ALL ARE WELCOME**

The Berkshire Food Project has served over 73,000 meals already in 2021.

To all who have helped to make this possible:

**Thank You** 

## A NOTE FROM OUR EXECUTIVE DIRECTOR:

The Food Project distributed **our annual Thanksgiving meal** on Monday, November 22. Between in-person visits and deliveries, **we served 150 individuals and gave out 736 meals**. Women of the First Congregational Church of Williamstown made all the pies. Volunteers new and old worked through the weekend to make the meal a success.
